

## **2017 Rijswijk Textile Biennial**

16 May – 24 September

Call for entries:

The Rijswijk Textile Biennial is an international exhibition of contemporary textile art that is organized every two years in Museum Rijswijk.

Artists who would like to participate in the 2017 Rijswijk Textile Biennial are requested to forward their documentation: a CD-ROM or USB stick with high-resolution photographs (capacity of each photo between 2 and 4 MB) of (recent) artworks, a curriculum vitae (in English) and details of postal, e-mail and website addresses, to Museum Rijswijk before 31 August 2016 at the address below.

In October 2016 an adjudicating panel will make a selection from the entries submitted and in December 2016 the artists will be informed whether their work has been selected for the 2017 Rijswijk Textile Biennial. The CD-ROM will not be returned after the final selection unless a self-addressed and franked envelope is enclosed with the original documentation.
