The diagram shows a pattern piece for a bag side. It is a large rectangle with a curved bottom-left corner. A solid black line follows the outer edge of the piece. A dotted line is drawn parallel to the solid line, starting from the top-left corner and ending at the bottom-right corner, defining a smaller, similar-shaped area within the larger one. The text 'Bag Sides', 'Cut 2 x C', and 'Cut 2 x L' is written in a handwritten style on the right side of the pattern.
