Athina Top – This boxy style top features an extended shoulder and dropped sleeve. There are two length options available.

Our Athina Top pattern comes with all sizes (AUS sizing) XS, S, M, L and XL included. Seam allowances are included in the pattern as well as sewing instructions/photos.

Print at home AND Print at copy shop (how-to [blog post here](#))

The pattern comes with a A4/US Letter Print At Home version (note: pattern has 30 sheets plus the test square to check that printing is done at correct scale) plus Print At Copy Shop version file (Actual Size pattern needs to be printed on A0 sheet size paper) along with the Sewing Instructions file (so that you can print these at home). Ensure that your computer is up to date with the latest Adobe Reader and that all printing is done at 100% Scale (or Full Scale).

*"Oh my gosh! What an incredibly fast delivery! I ordered fabric yesterday and it's here before 8:30 and I live 400 km north of Brisbane. The online photographs of the fabric were spot on and the quality is beautiful. Thank you also for the patterns I downloaded. I'm one very happy and satisfied customer."
