

## WIDE-LEG PANTS PATTERN

This pattern was made in collaboration with *Peppermint Magazine* for issue 38 of the magazine.

Pattern is available for free download.

Here at In the Folds it is our vision to empower makers to sew a wardrobe that will be worn, loved and cherished, long into the future. As you might know, sewing can be an expensive hobby, so we are very proud that this collaboration allowed us to provide so many free patterns to our community.

If you would like to say thank you to the creator of the patterns, please find a link to donate below.

We greatly appreciate your support!

## WIDE-LEG PANTS

ISSUE 38

Get set for a stylish winter with this season's hottest trouser shape – the wide-leg pant! Download the exclusive Peppermint pattern created for us by In The Folds and sew your own. (We used the smoky teal cotton drill from The Fabric Store for this pair.)

We have included the standard A4/US Letter version, but there's also a full-sized version – so that you can get it printed in full sheets (A0) at your local copy shop if you'd prefer.

We're super excited to bring you this pattern in partnership with the lovely people at The Fabric Store. With a passion for all things sewing, they stock an incredible range of fabrics – think quality linen, silk, cotton, merino and even leather – at their Sydney, Melbourne, Brisbane and New Zealand stores, as well as a small selection online.

Happy stitching!

### Support Peppermint!

Here at Peppermint, we're passionate about all things craft, creativity and community, which is why we've been providing you with gorgeous free sewing patterns for years! But now it's our turn to ask a little favour...

Like many others independent businesses, the COVID-19 pandemic has been making things pretty tough for us. To help ensure we stay afloat through this time and can continue producing a magazine and providing free sewing patterns and doing all the good things we do, we'd love it if you could spare a small donation of \$2 (or whatever you are able) to support the work of Peppermint.
